3. INFORMATION SHARING

Herren Project only shares personal information with other companies or individuals outside of the Company in the following limited circumstances:

Consent – We have your consent. We require opt-in consent for the sharing of any sensitive personal information.

Subsidiaries and Affiliates – We provide such information to our subsidiaries, affiliated companies or other trusted businesses or persons for the purpose of processing personal information on our behalf. We require that these parties agree to process such information based on our instructions and in compliance with this Privacy Policy and any other appropriate confidentiality and security measures.

To Comply with the Law – We have a good faith belief that access, use, preservation or disclosure of such information is reasonably necessary to (a) satisfy any applicable law, regulation, legal process or enforceable governmental request, (b) detect, prevent, or otherwise address fraud, security or technical issues or (c) protect against harm to the rights, property or safety of Herren Project, its users or the public as required or permitted by law.

4. INFORMATION SECURITY

We take appropriate security measures to protect against unauthorized access to or unauthorized alteration, disclosure or destruction of data. PRIVACY POLICY

We restrict access to personal information to Herren Project employees, contractors and agents who need to know that information in order to process it on our behalf. These individuals are often bound by confidentiality obligations and may be subject to discipline, including termination and criminal prosecution, if they fail to meet these obligations.

5. ACCESSING AND UPDATING PERSONAL INFORMATION

We will make a good faith effort to provide you with access to any of your personal information which we have collected and either to correct this data if it is inaccurate or to delete such data at your request if it is not otherwise required to be retained by law or for legitimate business purposes. We ask individual users to identify themselves and the information requested to be accessed, corrected or removed before processing such requests and we may decline to process requests that are unreasonably repetitive or systematic, require disproportionate technical effort, jeopardize the privacy of others or would be extremely impractical (for instance, requests concerning information residing on backup tapes). In any case where we provide information access and correction, we perform this service free of charge, except if doing so would require a disproportionate effort. Because of the way we maintain certain services, after you delete your information, residual copies may take a period of time before they are deleted from our active servers and may remain in our backup systems.

Herren Project regularly reviews its compliance with this Privacy Policy. When we receive formal written complaints, it is Herren Project's policy to contact the complaining user regarding his or her concerns. We will cooperate with the appropriate regulatory authorities, including local data protection authorities, to resolve any complaints regarding the transfer of personal data that cannot be resolved between Herren Project and an individual.

Please note that this Privacy Policy may change from time to time. We will post any Privacy Policy changes on this webpage and, if the changes are significant, we will use good faith efforts to provide a more prominent notice (including, for certain services, email notification of Privacy Policy changes).
