

# 2019

YEAR IN REVIEW

## MESSAGE FROM OUR FOUNDERS

Transformation has been a recurring theme in my life, both on and off the basketball court. Transformation within Herren Project has been no exception... especially this year. As the fiscal year 2019 comes to a close, it is a true honor to present to you our accomplishments, celebrations and rebranding endeavors that have defined this past year for our organization.

Since its inception in 2011, Herren Project has grown to be a leading resource for individuals and families impacted by the disease of addiction. We have broadened our reach to schools and communities and raised awareness of substance use disorder all across the country. Countless people have received support and countless more have been empowered to live happy, healthy lives and be true to themselves.

This past year has proven to be the most transformative year to date as we rebranded Herren Project to be the most impactful, empowering and cohesive outlet of hope for those dealing with addiction. At the same time, we began offering even more resources to families, students and educators to make an even bigger impact in the lives of others.

We experienced an unprecedented year of giving. From our first annual appeal to our Team Herren Project teammates and the many fundraisers held across the country, we raised over \$1.1 million. These resources have allowed us to help those in need and take our organization to new heights. Our services have expanded, our reach has grown and our impact has amplified - thanks to you.

I would like to thank the Executive Director, Kevin Mikolazyk, Director of Advancement, Bonnie Sawyer, the Herren Project team and our ambassadors representing Herren Project across the country for their dedication and persistence to make 2019 a success.

Most importantly, thank you to the 5,717 people who trusted Herren Project by contributing your time and financial resources, allowing us to carry out our mission to support, inspire and empower. I hope you will choose to continue supporting our mission in the years to come. Each one of you is vital to our success.

Gratefully,  
Chris & Heather Herren

## LOOK WHAT WE ACCOMPLISHED TOGETHER

### RECOVERY FEST

Herren Project attended Recovery Fest with 50 alumni, ambassadors and community members. We celebrated the gift of recovery, remembered those we have lost, supported one another and lived life to the fullest!

### GRIEF GROUP RETREAT

After a year of virtual gatherings, the grief support group met in person for a weekend of comradery, companionship and community.

SEPT

### BERLIN MARATHON

Twelve members of Team Herren Project traveled to Germany to participate in the Berlin Marathon, our first international race, raising over \$23k for Herren Project.

OCT

### HOPE INITIATIVE AWARD

Chris Herren had the honor of speaking alongside Rhode Island Governor, Gina Raimondo, to 80 members of the Rhode Island State Police to kick-off the Heroin-Opioid Prevention Effort (HOPE) Initiative, an effort believed to be the first of its kind in the country. Herren Project is honored to partner with them on this important initiative.

### NEW BRAND IDENTITY UNVEILED

The Herren family of brands unveiled new logos, colors and typography visually uniting Chris Herren's organizations - Herren Talks, Herren Wellness and Herren Project.

## BOSTON MARATHON WEEKEND

Herren Project celebrated its 6th year as an official John Hancock Boston Marathon charity. The three-day celebration included the B.A.A. 5k, a team reception and the marathon. 35 Team Herren Project runners raised over \$129,000 engaging more than 1,100 donors.

APRIL

## RETIREMENT OF THP PROJECT PURPLE INITIATIVE

THP Project Purple Initiative was officially retired and our new school and community programs, Herren Project Clubs and Awareness Week, were introduced.

MAY

## STUDENT SCHOLARSHIPS & GRANTS ANNOUNCED

Herren Project awarded a total of \$6,500 in scholarships and grant money to 4 high school seniors who embodied Herren Project's message of substance-free living and 3 schools who held substance-free prom parties and graduation events.

JUNE

## ANNUAL APPEAL

Herren Project's first ever Annual Appeal surpassed its goal and raised over \$430k thanks to 1,323 donors.

JULY

## 2nd ANNUAL AMBASSADOR RETREAT

Herren Project Ambassadors gathered for their 2nd annual retreat to learn, grow and inspire each other. They enjoyed a time of fellowship, sharing and learning more about Herren Project's programs and services.

## OUR REBRAND

As Herren Project has adapted to the growing need for assistance in recovery from substance use disorder, we made changes to our organizational goals to best help those seeking guidance or education. This year, Herren Project underwent a brand overhaul to best reflect our purpose as an organization and better establish ourselves as a strong resource in the addiction field. This included dropping the “the” from Herren Project, unveiling new logos, changing THP Runs to Team Herren Project and retiring our THP Purple Project Initiative.

In an effort to expand our presence in the world of substance-free living, Herren Project is now a member of the Herren family of recovery-based entities: **Herren Project**, **Herren Wellness**, and **Herren Talks**. Herren Project represents one step in the journey to recovery. Chris Herren also shares his own story as a national public speaker through Herren Talks and helps others learn skills to stay substance-free through his residential holistic health and wellness program, Herren Wellness.

“The impact our team has been able to make in the lives of people through each of these organizations has been inspiring. Through the rebranding and restructuring process, it is our hope to provide expanded access and reach to prevention education and programs dedicated to guiding individuals and families impacted by the disease of addiction.” - Chris Herren

## ONE PERSON

### RECOVERY SCHOLARSHIP PROGRAM

Herren Project introduced a recovery housing and coaching scholarship in 2015 to individuals looking to strengthen their foundation of recovery following a residential treatment program. In 2019, the program provided seven weeks of recovery housing as well as one-on-one individual recovery coaching to **125** men and women. Of those 125 individuals, **91** completed the seven weeks, a **72%** completion rate. Herren Project is proud to have been available as an avenue of support to all those who participated in rebuilding their lives and strengthening their pathway to recovery.

### RECOVERY COACHES

Herren Project was honored to add two new recovery coaches to the team this year, Ronnie Chouinard and Andrew Canny, a past recipient of a recovery scholarship. Both of the new coaches are strong additions to the team and great contributors to the important work of Herren Project.

### TREATMENT PLACEMENT

Herren Project's primary mission still remains - assisting individuals and families with the disease of addiction. Helping over **2,100** individuals since 2011, Herren Project understands the journey to recovery can be painful and confusing. Our dedicated support team continues to assist with treatment placement and advocating for the client, walking with them from beginning to end. In the fiscal year 2019, Herren Project placed **185** individuals into treatment and secured **\$1,134,210** in treatment scholarships, recovery housing and other treatment related expenses.

## ONE FAMILY AT A TIME

### FAMILY SUPPORT PROGRAM

Herren Project recognizes the importance of family support in the treatment of substance use disorder. We continue to grow our family program with the addition of two new virtual support groups for parents and one for individuals seeking sobriety.

As of the fiscal year-end 2019, we have seven active weekly groups with a total of **462** people registered. As we head into 2020, we are excited to announce a new program offering free fifteen-minute phone consultations with licensed clinicians. These sessions are designed to help families better understand the disease of addiction and assist in moving their loved one towards a life of recovery.

*How can you love men and women you never knew until grief! Rebecca's grief group at the Herren Project is phenomenal. We recount our deep, deep sadness and in sharing this and our daily lives, it brings us steps closer to being where we need to be. - Marianna McKee*

*In 2018 the Herren Project saved my life and helped me stop living a life of misery. The collaboration between them and Oaks Recovery has taught me to live like a respectful and productive member of society. Coming up on 16 months of sobriety, I have never been happier than I am today.  
- David Bousquet*

*I am grateful to the dedicated team at Herren Project. They guided my family and my son David on our journey to recovery. They taught us what we needed to know about the disease of addiction. I was able to become strong and set the boundaries needed for my son to choose recovery. I will always be thankful for each and every one of them and for their dedication to the work they do each day to help so many families.  
- Lisa Chagnon (Proud mom of a son who chose recovery)*

**Substance use disorder is a family disease, and we are committed to continued support for families struggling to find help for a loved one.**

### ALUMNI GROUPS

Dedicated to walking with people on their recovery journey, Herren Project's monthly alumni group in Falmouth remains strong with over **25** active members. As our reach has increased across the United States, we were excited to add a second alumni group in South Florida during 2018-2019. The Facebook alumni group is steadily growing with **137** active members. Our client betterment fund has also been a powerful added resource for many Herren Project alumni seeking education and other valuable life skills further strengthening their recovery.

## THE COMMUNITY GOES PURPLE

“What a wonderful week filled with empowering our youth, making healthy choices, celebrating life substance-free and supporting our community members in recovery.”

- Rachel Scott, Director of Outreach

In January, 2019, the Herren Project community celebrated one final “Go Purple” Week. Over **75** schools throughout New England and nationwide participated in spreading the Herren Project message of self-acceptance, healthy choices and leadership.

Our Director of Advancement, Bonnie Sawyer and Director of Outreach, Rachel Scott met with students, teachers and community members in Rhode Island and Massachusetts to see Go Purple Week in action. Highlights included events from a purple dodgeball tournament, to a middle school purple rodeo, and an elementary school spirit day.

## LOOKING FORWARD

*"We are humbled by the amount of schools and communities that join us each year to celebrate substance-free living and the power of "Being You." We look forward to growing the movement through our new initiatives, Herren Project Clubs & Herren Project Awareness Week."*  
- Kevin Mikolazyk, Executive Director

One of our most important goals has always been to effect positive change in the fight against the disease of addiction and to position ourselves as a true resource for schools and communities nationwide. Since 2014, Herren Project's school and community prevention programs have evolved as we continually strive to make the biggest impact for today's youth.

Due to naming conflicts and brand confusion we found it necessary to conduct a nine-month study. Through key focus groups we identified many barriers limiting our ability to make the greatest impact in the world of substance use prevention. The end result, in early 2019, we made the difficult decision to retire the "THP Project Purple Initiative", also known as "Go Purple".

As a positive result, the week-long initiative has been transformed into two new initiatives for 2020 - year-round school clubs and a week-long awareness week. We are very excited to introduce Herren Project Clubs to schools and a new week-long Spring awareness week for communities across the country.

Herren Project Clubs will create a peer to peer network in schools to engage students and help them to be their best selves while fostering a fun, welcoming environment and teaching healthy coping skills, leadership and stress management techniques. The spring awareness week will give communities an opportunity to come together to promote personal wellness and raise awareness of substance use disorder. Through these two new initiatives we hope to encourage healthy living, break the stigma of addiction and empower individuals to cope with life's challenges substance-free.

## EMPOWERING SCHOOLS AND COMMUNITIES

# 121

average number of students per month reaching out after hearing Chris Herren speak

# \$6,500

awarded in scholarships and grants to high school seniors and communities

With the number of students reaching out to Herren Project growing in past years, we found the need for student resources more vital than ever. Our student outreach team, led by Kiristin Young, Director of Clinical Services, introduced a new resource page dedicated to middle and high school students in late 2018. Resources are provided from substance abuse to self harm to bullying and include a private forum for students to confidentially reach out for help. Since the page went live, high risk and radar emails have gone down by 50% measured with the same period in 2018. Paired with the release of Herren Project Clubs in 2020, we are hopeful this trend will continue.

*"This year, I started to think about maybe if given the chance I would try a beer or something. When you came to talk today I decided that I don't want to. With the amount of trouble it would cause my family and friends, I don't want to. I just want to say thank you for changing my point of view and thank you for helping out so many kids."*

*"Mr. Herren, thanks for changing my life... Before you came to my school, I was a mess. You gave me hope and I am really happy now."*

*"Your talk hit really close to home and I appreciate it. It helped me see that things can change for the better. Thank you so much... I hope you keep helping kids for as long as you can."*

### SCHOLARSHIPS & GRANTS AWARDED

We celebrate students and communities who are real game changers in substance use prevention on their school campuses and in their local communities. Herren Project awarded **\$3,500** in post-prom grants to three high schools across the country. As well as **\$3,000** in scholarships to four high school seniors who not only embody the Herren Project spirit but are leaders in their school communities.

## GOING THE EXTRA MILE

Herren Project Ambassadors are 20 community members who go the extra mile to connect others to Herren Project's mission and services and promote the power of recovery. From LA to Boston, in 2019, they collectively and individually organized events, advocated for awareness and raised funds in their communities. We are stronger due to the commitment from each one of these ambassadors!

## RUNNING FOR RECOVERY

*"The endurance and heart required for running is such a powerful metaphor for the recovery experience. This year marks 25 years of continuous recovery for me, and it has been much like a marathon, with all the challenges and joys. As a team member, I have access to a platform for advocacy with a message of HOPE and fundraise to help others find lasting recovery. I am proud and grateful to be a part of the team." - Beth Fisher Sanders*

*"'Together We Recover' could not be truer for me. The look on my mother's face as she witnessed the fellowship of a support group; to see my father well-up as he listened to someone express true gratitude in their recovery; my siblings reaching out their hands for support. These are the gifts that my sobriety and the fellowship of Herren Wellness and Team Herren Project have given me. I get to have a family again and it's more than I could have ever asked for." - Chris DeNatale*

*"I ran 39 miles on June 28th to honor the 39 years of my brother's life, and in turn I received a gift I did not expect - the gift of community and support. I spent my life hiding and keeping my story secret, when what I needed most is a community to know my truth and care for me anyway. That is what we all want and deserve, and that is something the Herren Project gives fully. I found a family in all of you, just by letting myself be seen and heard that day." - Rebekah Barricklow*

## BUILDING COMMUNITY

Team Herren Project participates in events all across the country to raise funding and awareness for Herren Project. With over **682** members from **35** states, Team Herren Project has participated in **203** events since it began in 2014, raising over \$1 million.

Fiscal year 2019 was another remarkable year of record setting milestones. It marked the first time Team Herren Project took their mission overseas with a 12-person team running the Berlin Marathon in Germany. We had our biggest team to date, as 28 teammates took on the Spartan at Fenway. In April, we celebrated our 6th year in the Boston Marathon and B.A.A. 5k with a record setting **\$129,184** raised. Other highlights of 2019 included our 5th year at the iconic NYC Marathon, our first appearance in the LA Marathon and a 16-person team in the Ragnar Cape Cod.

Many more teammates joined us from around the country through the Own Your Own Event option, contributing to the overall total of **\$430,487** raised by Team Herren Project this year.
